

Norman Lindsay Gallery Trip.

On September 6, thirty-seven members and friends from several U3A regions spent a most enjoyable day visiting the Norman Lindsay Gallery at Faulconbridge, lunching at Katoomba and sightseeing around Katoomba, Leura and Wentworth Falls. We were so lucky with the weather because it was a glorious day in between two not-so-nice days. Our group was able to take wonderful photos not only of the amazing sculptures and buildings at the Gallery but also rare clear pics of the Three Sisters and other outstanding views. Our Coach driver was charming and the Guide at the Gallery was a mine of information regarding Norman Lindsay and his career, her talk delivered clearly and passionately. Many of our group bought items at the gift shop reflecting their interest in the artist's work.

Our lunch at the Katoomba RSL was really enjoyable with plenty of choices for the main course, arriving promptly and, most importantly, hot!

Our trip home included a stop at the Three Sisters Lookout, a slow tour around the valleys and other lookouts, a drive through the charming Leura village and a detour to look at the Wentworth Falls lake, a beautiful picnic area and the best kept secret around! From the several comments received when we reached our home destination, it seems that the whole outing met with universal approval.
