ERROR ON PAGE 57 – PLANNING CALENDAR 2018-1

There is an error on page 57 of the Semester 2 Course Book in the Planning Calendar for 2018.

Weeks A/B have inadvertently been switched around and are hence in the wrong order.

The Course Book shows January 1 starting in Week B instead of Week A.

The Course Book posted on the Sydney U3A website has been corrected for anyone who wishes to download - <http://sydneyu3a.org/>

For those who do not follow the Week A/B system, then this is not applicable.

If you have any questions, please do not hesitate to contact Ian Thompson -
