

How can Greater Western U3A attract new members?

Advertising has brought visitors to our web site however it seems we are short on *fun courses*.

So, in addition to those currently listed

Here's the idea:

Till the end of this semester, we are offering a new course in two shared venues on Fridays.

*Fun and Games Blacktown, 10-1pm every week (p.21 in the Course book) &

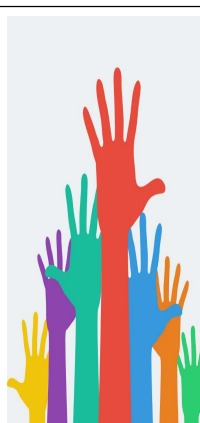

*A Lively Discussion Group, alt weeks (p.21 in the course book)

★ Craft & Conversation!

This will be a social group where members can work on their own projects, (knitting, embroidery, card making, scrap-booking, jewellery, painting, sketching or decoupage – *whatever*). Bring your own supplies. Indulge in 'me time' in like- minded company. You'll never be alone because the other groups are always there!

Social interaction is the new yoga, people! 😊

Okay – now it's over to you!

Hands up! What courses would tempt you out of the house?

What are your interests? Amateur theatre, play reading, art, playing music, ballroom dancing, singing, photography? We want to provide courses that suit you!

Please Email editor@gwn.net.au with suggestions!
