

Do you know someone aged over 70 who is still living at home?

Someone who would like to continue
living at home for as long as possible?

Do you know someone who could benefit from
a little motivation to help get them moving
and connecting with their community?

The ABC are looking for older people to be part of their third season
of 'Old People's Home For 4 Year Olds', where a group of older
Australians will be brought together with a group of young people
in an intergenerational program.

**We are looking for people who live on the Northern Beaches
& surrounding areas.**
